

March 2008

Thank you for your interest in the temporary studio spaces at Krowji in Redruth.

I've attached a copy of the guidance notes and the application form – please fill this in and return it to us. You may email it back or, if you prefer, print it off and complete by hand. Please also attach the equal opportunities form, a CV and up to six images of your work.

The guidance notes give some idea of price and tenancy conditions. We have a small waiting list of artists with a variety of requirements, so as soon as anything becomes available we can let you know. We regret that these temporary spaces don't have disabled access; all spaces in the new development will be fully accessible, but we're not able to achieve that yet.

If you wish to view the studios please call Elisa McLeod on 01209 313200 to make an appointment and she will show you round. For directions please download the map from the Creative Skills website (www.creativeskills.org.uk). There is some parking on site. Please don't park in West Park which is very narrow; there is a public car park in West End about 100 yards towards the town centre. There are also a number of bus services that stop just outside the school.

Please feel free to call me if you have any queries.

Yours sincerely

Ross Williams
Director
